

# Leading a Growing Community

## ***How To Start Leading***

Learn practical leadership from a biblical example in Acts and see how the spiritual blends with the practical.

## ***How To Get People On The Same Page***

Discover the essential aspects of good communication with your group; helping everyone know what they need to know and feel welcomed.

## ***How To Help People Be Themselves***

See how hospitality can be embodied in myriad ways and discover what resonates with you and your small group.

## ***How To Build Trust***

Learn how to navigate relationships with your small group members as you manage expectations, challenge, and mistakes along the way.

## ***How To Have a Plan***

Reflect on how to take your group further with each other and Jesus through the intentionality of making a plan.

## ***How To Make Things Happen***

Hone in on the skills of planning an event with your small group beyond the walls of the regular meetings.
